

God, Rocky Trails & the Mountains

My packhorse had just plunged off a 300 foot cliff in the rugged Cascade Mountains. I cried out, God, DO something! Then, as an afterthought I threw in, I know! Send angels!.... And He did! Two giant ten-foot angels appeared before me, and hovered off the cliff. One seemed to be the leader. He asked me, What do you want? I blurted out, WHAT DO I WANT? SAVE MY HORSE! The angel was NOT in a hurry. With calm authority, he asked me, Do you want the load, too?
