The Game Begins... After several brutal murders, a once a forgotten note, is brought back out from the BCI archives suggesting that The Master and his terrifying claims may be connected to the deaths. By the end of this Game, five hundred will be dead. DCI Logan and his team are led into a dark and dangerous investigation where detective after detective are forced to face an adversary who becomes whatever they fear. But Logan has a secret. Something he has managed to keep hidden throughout his highly successful career. As the Masters sadistic game spirals out of control, Logan must face his past and his fears if he is to have any hope of defeating this formidable opponent.
