

Cropped to Death

A FUN, CRAFTY MYSTERY... This was a great read that had me reading non-stop from the moment I turned the first page....The writing flowed easily and I liked the cast of characters in this charming whodunit. - Dru Ann Love, Drus Book Musings Former US Army JAG specialist, Faith Hunter, returns to her West Virginia home to work in her grandmothers scrapbooking store determined to lead an unassuming life after her adventure abroad turned disaster. But her quiet life unravels when her friend is charged with murder - and Faith inadvertently supplied the evidence. So Faith decides to cut through the scrap and piece together what really happened. With a sexy prosecutor, a determined homicide detective, a handful of sticky suspects and a crop contest gone bad, Faith quickly realizes if shes not careful, shell be the next one cropped. Praise for the Faith Hunter Scrap This Mystery Series: Christinas characters shine, her knowledge of scrapbooking is spot on, and she weaves a mystery that simply cries out to be read in one delicious sitting! - Pam Hanson, Multi-Published Womens Fiction Author This was a great read that had me reading non-stop from the moment I turned the first page. The author did a good job in keeping me in suspense with plenty of twists and turns and every time I thought I had it figured out, the author changed the direction in which the story was headed. What intrigued me most is Faiths past and how it played in her approached to the clues she uncovered. The writing flowed easily and I liked the cast of characters in this charming whodunit. - Dru Ann Love, Drus Book Musings Cropped To Death is a cozy mystery that exceeds expectations....Freeburn has crafted a mystery that does not feel cliched or cookie-cutter....its her sense of humor that shows up in the book, helping the story flow, making the characters real and keeping the reader interested....And she

promises more Faith Hunter books-I hope she writes fast! - Cynthia McCloud, Scrapbooking is Heart Work Blog Read this fun book and you will never think of Washi tape in quite the same way again, I promise. Christina Freeburns second installment in her scrapbooking mystery series is full of small-town intrigue, twists and turns, and plenty of heart. - Mollie Cox Bryan, Agatha Award Finalist, Scrapbook of Secrets This is a fun series with very likable characters you will want to visit with again and again with every new book. Even if you are not a fan of scrapping (and Im not - its about the only craft I never got into) you will enjoy the series as it is not heavy with information about the hobby - as some hobby series can be. And if you are into the hobby, there are hints at the back of the book. - Kate Shannon, Rantin Ravin and Reading [Freeburn] is able to weave in humor, but also suspense, and even a little bit of romance...If youre a series lover like me, youll be happy to know that is the second in the Scrap This series, and a third is due in 2014. - Kerry Hammond, CriminalElement.com Books in the Faith Hunter Scrap This Cozy Mystery Series: CROPPED TO DEATH (#1) DESIGNED TO DEATH (#2) EMBELLISHED TO DEATH (#3) September 2014 Part of the Henery Press Mystery Series Collection, if you like one, youll probably like them all...
