

Dancing on the Mountain: A Tale of Dreams and Danger

Heather Caldwell's feet are ugly and she is proud of it. Long hours of dancing have hardened huge calluses and blackened her toenails. But has she danced enough to get a major role in Viva El Paso, an outdoor theater staged in the mountains? A dream she has had for years. Her dream becomes a nightmare when an unknown enemy kills her boyfriend and threatens her. She flees into the mountains where there is far more to worry about than her dreams.
