

Memoir of the Late Rev. Lemuel Covell, Missionary to the Tuscarora Indians and the Province of Upper Canada; Comprising a History of the Origin and ... Association, Up to the Time of Mr. Covells

Excerpt from Memoir of the Late Rev. Lemuel Covell, Missionary to the Tuscarora Indians and the Province of Upper Canada; Comprising a History of the Origin and Progress of Missionary Operations in the Shaftsbury Baptist Association, Up to the Time of Mr. Covells

From the Rev. Abijah Peck. Dear Sister: - Having heard read the manuscript copy of the memoirs of your deceased Father, Elder Lemuel Covell, compiled by yourself, it brings to remembrance many scenes in which we were engaged together in trying to promote the cause of the Redeemer; and as I believe it contains in a small space, much useful information, I should be pleased to see it published. I consider what is said of the deceased is not exaggerated, but comes short of the real estimation in which his character was held by those acquainted with him. Your friend and brother, in the kingdom And patience of our Lord Jesus Christ, Abijah Peck. Mrs. D. C. Drown. Clifton Park, June 3, 1839. From the Rev. Isaiah Matteson. Dear Sister: - With ray whole heart, I bid you God speed in this enterprize, truly great and strictly pious, of publishing the memoir of your Reverend Father and Brother, with both of whom I had the pleasure of a somewhat intimate acquaintance, more so with the senior. In all my extensive acquaintance with ministers, for 40 years, I can truly say there was not one, in my humble opinion, so richly endowed and highly gifted, so entirely consecrated, so uniformly and unaffectedly humble and pious, or more useful than this dear man of God. His son Alanson evidently seems to have caught the falling mantle of his father. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art

technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
