

The Chocolate Book Bandit: A Chocoholic Mystery

When it turns out a member of Warner Piers library board has been living on borrowed time, Lee is determined to discover who wrote the victims final chapter. Running Ten Huis Chocolate keeps Lee McKinney Woodyard busy enough, but now shes been offered two different positions in the town of Warner Pierone on the tourism committee and another on the library board. To decide between the two, she goes to Warner Piers historic library to check out the boards monthly meeting. As usual, rumors are flying through the small town. This time, theyre about the rugged new library director, Henry Butch Cassidy, and the changes he allegedly plans to make. Butch is indeed attractive but Lee doesnt get a chance to find out about his proposed changes. A few minutes into the meeting, the discussion is interrupted by the terrified screams of the library clerk. She has discovered the lifeless body of Abigail VanRoostock, a prim and proper retiring member of the board, crumpled in a heap at the bottom of the basement stairs. Suddenly, everyone in attendance, including Lee, is suspected in her murder. And as Lee finds out, theyve all got something to hide. INCLUDES TASTY CHOCOLATE TRIVIA!
