

This Roll in My Soul (The Frankie Spencer Series Book 2)

The Dream Continues Frankie Spencer and her raucous group of rockers return, swagger intact, hell-bent on lighting up the stages of Los Angeles and beyond. Paths will be chosen, as Frankie and company battle their demons versus desires, fame versus freedom, all in the face of major label interest and for the love of rock n roll. Friendship is their lifeline, as the reality of living the musical dream challenges their strengths and weaknesses, helping them to rise above the smoggy city and transform them into the true stars they were born to be.
