

## If I Only Had a Brain: A modern-day journey to OZ

Now Dorothy dear, stop imagining things. You always get yourself in a fret over nothing, echoes the infamous script in the mind of a woman battling for her life. Conveying a clever parallel to the beloved Wizard of Oz, she shares a dramatic personal journey in a desperate search for a wizard, while finding her purpose along the way. In a story of surrender and survival, the author is immersed within an eclectic cast of characters, revealing a fascinating account with ingenuity, humor, and passion. By the time you reach the end of this engaging book, you will feel inspired to overcome any obstacle and empowered enough to set forth on a journey of renewal towards your own hearts desire.
